

WE HAVE
THE BEST
IDEA EVER
FOR YOUR
EVENT

“Seriously, having my picture taken in a TARDIS was on my list of things I HAD to do before I died.... just never thought I'd be close enough to one! I had thought about building one, but I don't know if I'd be allowed to keep it.”

John Macinta, Sci-fi fan, Maryland

Feedback from the Booth:

I'M SORRY WE DIDN'T HAVE ANYTHING NEARLY THIS COOL AT OUR RECEPTION!

IT WAS AWESOME AND SOOOOOO MUCH FUN!!

LIKE TO INFINITY AND BEYOND!

COOL! THAT THING WAS AMAZING!!!

On July 6, 2012 our photo booth became a top headline at msnbc.com because of it's unique shape and function

“Who wouldn't want a TARDIS photo booth at their next event? I couldn't imagine a cooler object to have at a wedding, birthday party, retirement shindig, you name it.”

Grab a prop & Strike a pose

Having props is by far the most popular option among our customers and also what they appreciate the most

The guests are not only having fun during the photo session, but the photos themselves are a subject for laughter for the rest of the event

We don't charge extra to customize the backgrounds, just let us know the theme for your event and we'll take care of the rest

**Grab a prop & Strike a pose
With our props and digital
backgrounds we'll take your
event to completely new heights**

“Best wedding idea ever”

No matter if you are planning the wedding of your lifetime or another great party/event this is a “must have” at the venue

Pinterest

On the site Pinterest.com, which is a site where you can organize and share things that you love, this photo booth has been considered by many couples and brides-to-be: “...the best wedding idea ever.”

Every party must end

But with our unique photo booth the memories never will

After all events we provide you with a digital back-up on all pictures taken. We'll deliver it on a memory stick or on a CD at the end of the event, or if you prefer, send it to you by mail.

We archive all pictures, so if you for some reason need extra copies, we can make them for you at a low cost.

If you or any of your guests would like extra copies of a photo strip, or even a 4x6 enlargement of any single photo, we can usually provide them on the spot for a minimal fee. Otherwise, we would be happy to email a digital copy, or snail-mail a print.
